ATLAS.ti 7 Review: Adobe Analytics 360 We review an Adobe Analytics 360 product that offers seamless integration with Adobe's marketing tools, and help you get the most out of your client intelligence. 1 July 28, 2016 ATLAS.ti 7 Review: Adobe Analytics 360 We review an Adobe Analytics 360 product that offers seamless integration with Adobe's marketing tools, and help you get the most out of your client intelligence. Our video and audio tutorials take you through our system step by step to set up and code your first video clips and audio files. We begin with basic 'under the hood' concepts, and then dive straight into how we can watch your video clips or listen to your audio files and assess how your project is doing in real time. No i have the latest version of ATIM (auto.ti.las) 2019.2.x but when i try to connect to our database it gives an error message "connection to the database is not possible" when ever I try to use this database with software iautomate than it gives me error message "database connection is not possible". Should I check if this msg is 3da54e8ca3
